BOARD CHAIR MESSAGE

**Jillian Faber
Farrell's
2026 Board Chair**

As we move into a busy and energizing stretch for the Chamber, I want to highlight a few ways you can get involved while making a real impact in our community. Our **Scholarship Golf Tournament** on June 1 is one of those events that truly matters. Because of the support from our golfers and sponsors, we are able to provide scholarships to local graduating seniors and support the YMCA. It is a day that combines fun, connection, and purpose in the best way. If you are planning to join us, be sure to register soon before it sells out.

We are also getting things rolling for our **Kickball Tournament** on September 18, and this one brings out a different kind of energy. It is fun, a little competitive, and a great way to connect with other local businesses outside of the usual setting. Team registration and sponsorship opportunities are already open on the Chamber website.

I hope to see many of you at our **Business Foundation fundraiser at Bridgeman's** on May 6. It is an easy way to support a great cause and spend time with people who care about this community just as much as you do.

Thank you, as always, for being part of what makes Woodbury such a strong and vibrant place to live and do business.

Mission: Connecting businesses to strengthen community

Vision: To serve as the catalyst for a thriving economy and be the essential resource for businesses in the community

Chamber's 2026 Charitable Partner: American Legion Woodbury Post 501

The Chamber supports our nonprofit community by providing philanthropic opportunities to members.

This year's charitable partner is **American Legion Woodbury**. The nonprofit group provides life-changing assistance and guidance for veterans, military personnel, their families and communities.

The chamber will assist the American Legion in its Toys for Tots initiative this year. Don't miss our "Christmas in July" chance to give! The focus of this year's toy drive is infant/baby toys and teen gifts.

The most pivotal decisions don't come from spreadsheets. They come from identity, imagination, and the courage to choose a different future. This conversation is designed for high-capacity leaders of organizations who want to figure out what's next. It unpacks the psychology of bold decision-making, reveals the invisible fences that limit vision, and helps you clarify the path ahead.

The session includes working with a few of Novus Global's favorite tools used with billionaire CEOs, Olympic athletes, and leaders across every industry to put together a clear vision for the next 6-12 months of your personal and professional life.

Austin Walker is an executive coach and keynote speaker at Novus Global, a world class executive coaching firm. As a coach, he works with C-Suite leaders and teams from global enterprises to fast growing startups, helping them move beyond high performance. As a sought after keynote speaker, Austin is known for his refreshing, honest energy and real-world approach, blending humor and practical insight to inspire meaningful action.
