CHAMBER PRESIDENT MESSAGE

**Laurie Staiger, IOM
Chamber President**

The 15th Woodbury Community EXPO is only a few days away! We are happy to announce that the event is sold out and features over 150 businesses. Woodbury is booming! With so many new and revitalized businesses, it can be tough to keep up. The EXPO is your chance to explore local businesses and organizations in one location. If you are not exhibiting, stop by Woodbury High School on April 6th between 10 – 3 to meet local business owners, shop unique products and services, grab lunch, and take in live entertainment. There is much to see and do and your support is appreciated.

The chamber will be launching two more Connect groups in the next couple months. One launches in April, the next in June. These have been enormously popular programs for members looking to create meaningful business connections. More than 100 people have taken part in these groups over the last two years and have raved about the outcome. Applications are now being accepted for both groups.

The Advocacy & Access series had a successful launch last month with a presentation by County Attorney Kevin Magnuson. Plan to attend these powerful and impactful morning sessions to be in the know about what is happening in your community.

Join the conversation! The chamber offers a variety of ways for you to engage with us each month. We hope to see you at one of our many events scheduled in April!
